experience

2014

Northfield Enterprise Center

Northfield, Minnesota

Small Business Generalist

- Developed marketing materials for Leadership Tools, a small Northfield based consultancy.
- Fixed bugs in the Northfield Enterprise Center website.

2013

Obermueller for Congress

Minneapolis, Minnesota

Summer Finance and Marketing Intern

- Devised a quick method for entering donor information using optical character recognition, saving many hours of labor in data entry.
- Worked with data entry for prospective donors.
- Location scouted and performed audio setup during two public fundraisers for the campaign.

2006–2012

Marketplace Magazine

Pella, Iowa

Strategy/IT Consultant

- **IT:** Developed the first online edition of the magazine on their website.
- **Pre-Press:** Designed client automobile magazine pages every two weeks.
- **Sales:** Added two school newspapers as regular clients for print services.
- **Distribution:** Reduced delivery fleet operating costs by \$2000 each year by developing route optimization techniques for delivering the Marketplace Magazine across Iowa and Nebraska.

awards

2014

UHack

University of Minnesota

Reached the second round of presentations at this hackathon, which made the project one of top 20 at the event.

2014
